C&G Mortgage

Decision in Principle and application form

Introduction

This is an application for a C&G mortgage provided by Lloyds TSB Bank plc and administered by Cheltenham & Gloucester plc.

Before you fill out this form, please read section 12 carefully. It contains some important information about your rights under Data Protection legislation and about the standard enquiries that will be made before your mortgage is agreed.

Once the form is fully completed, your mortgage adviser will send it to Cheltenham & Gloucester so they can begin processing your mortgage application.

If, before you complete the form in full, you want to check, in principle, that your mortgage can be agreed, you can just complete sections 1-6 and your adviser can fax these to Cheltenham & Gloucester. From that information the loan can be agreed in principle before you go on to complete the rest of the form.

If you ask for a decision in principle, some enquiries will be carried out at that stage, so please sign to give your consent to these at the end of section 6.

- You will still owe the full amount of your mortgage at the end of the mortgage term and it is your responsibility to make separate arrangements to repay this amount.
- It is your responsibility to check regularly the performance of any repayment plan, to see whether it is on track to repay the capital at the end of the mortgage term.
- If your repayment plan fails to provide as much as you anticipate at the end of the term, you may have to sell your property to repay the mortgage.

Please detail how you intend to repay all your interest only loans, including any existing mortgage loan(s) you may have with Lloyds Banking Group.

Transfer of funds fee	£ <input style="width: 100%;" type="text"/>
Total fees to be added to the mortgage	£ <input style="width: 100%;" type="text"/>

All cheques must be payable to "Cheltenham & Gloucester re (your name)". Making your cheques payable simply to Cheltenham & Gloucester does not provide the maximum level of security.

The product fee (if any) and the transfer of funds fee are due when your mortgage starts and must be added to your mortgage. You will have a period of 30 days from the start of your mortgage in which to pay each fee before you start paying interest on them.

Where applicable, you must pay the application fee and valuation fee when you submit your application. The application fee and, once the valuation has been carried out, the valuation fee are **not refundable** if you do not proceed with your application for any reason, or Lloyds TSB Bank plc rejects your application for a valid reason. Examples of valid reasons why it might refuse an application include, but are not limited to:

- where it has not been possible to verify your stated income;
- where it is discovered that you have provided false or incomplete information;
- where it is discovered that a problem with the property makes it unsuitable as security;
- where a valuation report reveals that the property is worth less than originally indicated;
- where there is a reasonable suspicion of fraud and/or other forms of financial crime.

Lloyds TSB Bank plc may also reject your application at any time at its absolute discretion. If it chooses to rely on this right then any application fee and valuation fee you have paid will be refunded.

11. CONFIRMATION OF IDENTITY

To help protect against fraud and money laundering, we are required by law to check your identity before opening an account.

Existing customers

If you already have a Lloyds TSB/C&G account additional identification is not usually required, but please record below one of your existing account numbers.

First applicant's account number Second applicant's account number

Proof of address document - EU/EEA driving licence, recent utility bill or statement for gas, electricity, water or a landline telephone, bank, building society or credit union statement (excluding statements downloaded from the internet), benefits/state pension notification letter confirming the rights to benefits for the current period, current UK driving licence (old full paper licence or new photocard licence, the counterpart driving licence is not acceptable on its own), EU/EEA member state identity card, Inland Revenue correspondence, showing name and current address (if Inland Revenue notification has not been used for name identification), local authority tax bill valid for the current year, current local council rent card or local council tenancy agreement, Northern Ireland Voter's card or solicitor's correspondence confirming recent house purchase or land registry confirmation (confirmation of previous address will be required).

12. CONSENTS AND DECLARATIONS

C&G mortgages are provided by Lloyds TSB Bank plc ("the Bank") and are administered by Cheltenham & Gloucester plc ("C&G") on behalf of the Bank. References to "you" and "your" in this Consents and Declarations section may be references to either C&G and/or the Bank.

The consents and declarations are given by each applicant, so please ensure that everyone applying for this mortgage reads this section, completes the statements and signs below.

About me/my answers:

- I have personally provided the details for this application or, if provided by another (for example my financial adviser), I have read and checked every answer.
- I am at least 18 years old and the answers given are true and complete.
- I understand that if there is a significant change in my circumstances before the loan is made, I must disclose it and you may refuse to proceed.
- I understand that if any information is inaccurate or if I have not fully answered any question, you may refuse to proceed; or, where the loan has already been made, you may demand repayment.

Consent to obtain references and other personal details:

My consent for these references continues to apply after you open my account.

- I agree that you may apply at any time to my current and previous employers, my accountant, landlord, lender, bank or insurance and/or pension company to obtain references, details of my existing financial commitments and any other information you require to assess or review lending risks to recover debts and to prevent fraud. I also agree that you may apply to my solicitor for information relating to the work they do on my behalf in respect of the mortgage or purchase transaction.
- This is my authority to those people set out in the paragraph above to release such information about me and this transaction to you.

About other occupiers

- Anyone aged 17 or older, living in the property and who is not an applicant signing below must, before the loan is made, complete the C&G Occupiers Waiver and Postponement form. This form will be sent to my solicitor or licensed conveyancer with their instructions.

My personal data:

* The Lloyds Banking Group includes us and a number of other Companies using brands including Lloyds TSB, Halifax and Bank of Scotland and their associated companies.

- I agree that you may keep my personal details, given to you by me or other people during my relationship with you and other companies in your group*, in a Lloyds Banking Group database. This includes details I give you on application forms and during interviews, your analysis of my account transactions, and what you know from operating my accounts. Companies in your group may use and update this centrally held information to provide me with services, to identify products and services which might be suitable for me, to assess lending and insurance risks, to recover debts, to prevent and detect fraud and to update their own records about me. You may also use my information for research and statistical analysis with the aim of improving your services.
- If I request it, you will provide me with a copy of the information you hold, in line with the Data Protection Act. (A fee is payable.)
- The information you hold about me is confidential. You will only disclose it outside the Lloyds Banking Group* when:
 - I give you my consent
 - it is needed by your agents and others involved in running accounts and services for me
 - you or others need to investigate or prevent crime
 - the law permits or requires it, even without my consent
 - there is a duty to the public to reveal the information
 - it is needed for any joint applicant to obtain independent legal advice regarding this application
 - a mortgage applicant or guarantor asks for a copy of the mortgage application
 - you are to be sold or integrated with another business, to prospective purchasers and their advisors on the understanding they keep it confidential.
- If your business or my account is sold or integrated, my personal information will be used by the new owners in the same way as in this notice. Should any aspect of my relationship with C&G transfer to the Bank, any marketing consent I give to

C&G will also transfer to the Bank.

- You may administer my account and provide other services from centres in countries outside Europe (such as India and the USA) that do not always have the same standard of data protection laws as the UK. However, you will have a contract in place to ensure that my information is adequately protected, and you will remain bound by your obligations under the Data Protection Act even when my personal information is processed outside Europe. This consent extends to any home or payment protection insurance policy arranged through you when you will ensure that the insurance provider has in place identical obligations to safeguard my data.
- When assessing my application and managing my borrowing, automated decision making systems may be used. I agree that when making credit decisions you may make searches at credit reference agencies, including electoral register information. These searches will be recorded by the credit reference agencies.
- I agree that if I am applying in joint names, this will create a financial link between us in the records at the credit reference agencies, meaning that my financial affairs and those of my joint applicant may be treated as affecting each other.
- You may disclose how I have run my accounts to the credit reference agencies. In the event that you make formal demand for repayment of my borrowing and I do not make full repayment or satisfactory proposals to you within 28 days, you may disclose this to the agencies, who will record the outstanding debt.
- I agree that credit reference agencies may form a link in the records they hold about me, between any previous or subsequent names that I use.
- In understanding that if false or inaccurate information is provided or fraud is suspected, details may be passed to fraud prevention agencies and other relevant organisations. Law enforcement agencies may access and use this information. You and other organisations may use credit reference agency records about me and people financially linked to me and may also use records about me and others held with fraud prevention agencies to help make decisions:
 - for credit and credit related services, and to manage accounts
 - for checking details on proposals and claims for all types of insurance
 - for fraud prevention, debtor tracing, debt recovery, and to prevent money laundering, and
 - for checking details of job applicants and employees
- You and other organisations may access and use the information recorded by fraud prevention agencies from other countries.
- If I ask, you will tell me which credit reference and fraud prevention agencies you have used so I can get a copy of my details from them.
- I understand that you may disclose information about the property [but not my name, or details of how I have run my account(s)], so that it may be held on a residential property valuation database. This database may be used to value properties on behalf of the Bank and other businesses. The operator of the database will not use the information to contact me for marketing purposes. I may contact you if I wish to know the name of the company that operates this database.
- When I speak to you on the phone, some calls may be monitored or recorded in case you need to check you have carried out my instructions correctly and to help improve your quality of service.
- C&G may contact me by letter or telephone about products and services available from the Lloyds Banking Group*, and from selected companies outside your group which it believes may interest me or benefit me financially, unless I have told C&G that I do not want to receive this information. Other companies, including those in the Lloyds Banking Group*, will not make marketing approaches to me without my consent.
- I would prefer not to receive marketing information from C&G.

About insurance:

- I agree that details about my application may be disclosed to insurance companies in connection with any insurances arranged by you.
- I agree that information about this application may be given to Insurance Database Services Ltd (IDS Ltd) so that it can be made available to other insurers. I also agree that, in response to any search made in connection with this application or any insurance claim, IDS Ltd may pass to you and/or my insurer information which it has received from other insurers about any claims I have previously made.

I wish to apply for the mortgage as indicated in Section 4 of this application. I enclose, if applicable, either a cheque for £ in respect of the fees due with this application, or authority to collect the charge by debit/credit card. To help protect you from fraud, we request that cheques are made payable to Cheltenham & Gloucester re: [your name]. Having your cheque made payable simply to Cheltenham & Gloucester does not provide the maximum level of security. The administration charge is **not refundable** even if this application does not proceed for any reason.

Advice on life assurance and investment plans

I understand that if my loan is arranged on an interest only basis the monthly payments I will make will only cover interest and will not repay any of the original amount borrowed. I confirm that I understand it is my responsibility to ensure that the loan amount can be repaid by the end of the mortgage term. On whatever basis my loan is arranged, I understand that it is always advisable to consider my life assurance needs and that you strongly recommend that I take advice from a financial adviser. I understand, however, that taking out life assurance or an investment plan is **not** a condition of your C&G mortgage.
